FROM THE SELECTMEN OF FREMONT

We wish to thank the Fremont Community Club for the donation of $286.00 that was paid toward the painting of the ceiling and walls of the Old Meeting House. We think that was a fine gesture on the part of the Ladies and hope that all will take time to look at the interior and see how nice it looks.

We also would like to thank Mrs. Ruth Fuller for her gift as a Memorial to her late husband, Albert G. Fuller.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs

You are hereby notified to meet at the Town Hall in said Fremont on Tuesday, the fourteenth day of March, next at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear the report of the Budget Committee and to take such action under the proposed Budget as the Town deems necessary.

4. To see if the Town will vote to have the Tax Commissioner revalue all property and to appropriate the sum of $4,500.00 to pay for same.

5. To see if the Town will vote to authorize the Selectmen to sell at Private Sale or Public Auction property acquired by Tax Collector's deed.

6. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.

7. At the request of Mrs. Gloria J. Drury and ten other signers, the Selectmen are asked to put a Petition

in the Town Warrant to see if the Town of Fremont will vote to install a wood-burning stove in The Old Meeting House, the cost not to exceed $50.00.

8. To see if the Town will raise the sum of $200.00 to paint the front of The Old Meeting House.

9. By request of Charles K. Rowe and twelve others: To see if the Town will vote to take deeded title to the approved section of a certain street named Rowe Drive located in the Poplin Acre Development from Charles K. and Louise M. Rowe, the present owners. The requested road to be accepted is the length of approximately 700 feet and contains the road known as Rowe Drive which is laid out running easterly from Beede Road to the easterly sideline of Lot No. 16 in the afore-mentioned Poplin Acre Development and which road is situated upon the Poplin Acre Development which is more accurately set forth on the plot plan which was given final approval by the Fremont Planning Board on August 23, 1966.

10. To see what action the Town will take by Ballot on the following question: "Shall the Fremont Zoning Ordinance be amended as proposed by The Fremont Planning Board by revision of Article III, Section 6 relating to regulation of single trailers or mobile homes?"

11. To see what action the Town will take by Ballot on the following question: "Shall the Fremont Zoning Ordinance be amended as proposed by The Fremont Planning Board by revision of Article V, Section 3, relating to dwelling foundations."

12. To see what action the Town will take by Ballot on the following question: "Shall the Fremont Zoning Ordinance be amended as proposed by The Fremont

Planning Board by addition of Article V-A, Section 1 to 8 relating to the regulation of earth removal?"

13. To see what action the Town will take by Ballot on the following question: "Shall the provisions of Chapter 171-A of the revised laws relating to Beano be adopted in Town?"

Given under our hands and seal, this sixth day of February, in the year of our Lord nineteen hundred and sixty-seven.

AMENDMENTS AND ONE NEW ARTICLE

SUGGESTED BY PLANNING and ZONING BOARD

ARTICLE III

Section 6. (Amendment

A single trailer or mobile home shall meet all requirements of this ordinance which pertain to dwellings and including Article IV. Sections 1, 2, 3, 4, and Article V. Sections 2 through 8 inclusive.

ARTICLE V

Section III. (Amendment)

Foundations shall be constructed of a continuous supporting wall of concrete, bricks, concrete blocks or pointed stone extending at least 3 feet below finished ground level. Industrial structures and accessory buildings may be set on masonry piers.

New Article)

ARTICLE V-A

Section 1. The excavation and removal of earth, loam, topsoil, gravel, clay or stone for use or sale other than that excavation or removal which is necessary and incidental to the construction or alteration of a building for which a building permit has been obtained or incidental to property maintenance or improvement where sale of these materials is not involved is prohibited without a written permit obtained from the Board of Selectmen.

Section 2. The selectmen in issuing permits under this article shall impose such reasonable conditions on the removal of topsoils or subsoils, the disposition of same and the establishment of topsoil compositions and thickness, ground levels and grades and other reasonable conditions not specifically provided herein as they may deem necessary for the adequate protection and prosperity of the town, and conditions so imposed shall be attached to and made a part of the

permit and violations of said conditions shall be a violation of this ordinance.

Section 3. The Selectmen may require the applicant for a permit to file a plan prepared by a competent engineer or land surveyor showing contour of the land before and after excavation.

Section 4. The Selectmen shall not issue a permit under this ordinance if they find that the issuance of such a permit would be detrimental to the promotion and protection of the general economy, welfare and prosperity of the town.

Section 5. The Selectmen may at their discretion require a bond, certified check or any other reasonable security as a guarantee of compliance with this ordinance and the conditions of any permit issued under this ordinance or as evidence of good faith for the completion of proposed earth removal projects.

Section 6. The Selectmen may upon receipt of proof of violation of any conditions of any permit issued under this article suspend or revoke any permit.

Section 7. Any action of the Board of Selectmen under this article may be appealed to the Board of Adjustment as provided in Article VII of this ordinance.

Section 8. The penalty for any violation of any provision of this ordinance shall be a fine of Ten Dollars. Removal of each load of the above materials in violation of the ordinance shall constitute a separate and distinct violation. Each violation of any condition of a permit issued under this article shall constitute a separate and distinct violation for each day in which the violation continues.

REPORT OF THE FIRE CHIEF

I would like to thank the Town and the Association for the 1,000 feet of 2½" Hose purchased for our Engine No. 2, Howe Pumper. We now have about 2,700 feet of 2½" Hose for the Pumper.

The people of Fremont have been very careful with fires in and around their homes in 1966.

We are very lucky in 1966, we did not have any house fires at all.

We have a new sign on the Fire House telling where the trucks have gone to a fire. We have the names of the roads in Town and before each road will be a Peg on a chain showing where we have gone. When anyone comes to the Fire House and looks at the sign, one will be able to know where we have gone, I hope.

I hope the first Fireman who gets to the Fire House uses this Sign so people will know. We will have two Pegs on a chain, one will be painted Red for Building Fires and one will be painted green for Woods Fires. By looking at the color of the Peg and Road anyone should be able to know what and where the fire is.

The Firemen have had one course on Advance Pumping and are planning other Courses in 1967.

I would like to thank everyone who worked on the 1966 Carnival and made it another success.

We made 28 runs in 1966, this is less than we made in 1965.

We made only two out-of-town calls; one in Danville, a woods fire and a House fire in Sandown.

LIST OF CALLS DURING 1966

Jan. 12 — Over heated Furnace; Maurice Robinson.
Jan. 17 — Lady locked out of house; McCullough.
Mar. 1 — Burning leaves; Mrs. Shippee.
Mar. 31 — Woods; Bill Boden.
Apr. 5 — Woods; Bill Bodem.
Apr. 3 — Woods; Bill Boden.
Apr. 16 — Grass fire; Mr. Dodd.
Apr. 17 — Grass fire; Byron Walker.
May 5 — Town Dump.
May 5 — Woods; Beede Land.
May 7 — Car fire; Pratt Boy.
May 27 — Woods fire; Riverside Drive.
May 29 — Town Dump.
July 1 — Rubbish barrel; Riverside Drive.
July 2 — Town Dump.
July 3 — Town Dump.
July 17 — Woods fire; Danville
July 18 — Woods fire; Chester Road.
July 19 — Town Dump.
July 19 — Tree fire; Berry Farm.
July 22 — Truck body; Ted Bishop.
Aug. 2 — Town Dump.
Aug. 2 — Town Dump.
Sept. 4 — Kitchen stove; Mr. Morrison.
Oct. 17 — House; Sandown.
Oct. 18 — Woods fire; Ridge Road.
Oct. 26 — Grass fire; Red Brook Road.
Oct. 28 — Leaves; Beede Road.

Dick Heselton made two runs in his car to the Exeter Hospital with E. & J. Resuscitator.

Jan. 7 — Hospital; Leo Bolduc and on Sept. 7, Hospital; Mrs. Lewis.

TOWN DUMP

The Fire Department made a number of calls to check the Dump and they were made by car. We went to the Dump with one or more trucks seven times. Since they have had the Dump closed and open on certain hours we have not had one call to the Dump. This has saved a lot of running for nothing.

Mr. Theron Young who takes care of the Dump is doing a wonderful job of keeping it clean. It does not look like the Old Dump of Fremont but the New Dump of Fremont.

Thank You,

Your Fire Chief

Clarence Philbrick

FOREST FIRE WARDEN'S REPORT

All of my Deputies and our District Chief and myself would like to thank you for your fine co-operation given us in 1966.

We had the making of one bad fire on the Chester Road; with the help of the Chester and Raymond Fire Departments, we were able to control it.

Thanks go to everyone. LET'S KEEP THE WOODLANDS GROWING AND GREEN.

District Fire Chief,
Ralph Stevens
Forest Fire Warden,

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention .

Statistics show, however, there is room for improve-

ment. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owner and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 a.m. and 5:00 p.m. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or cooking fire.

4. Most important — Instruct your children that matches are not play things.

(Truly — Only You Can Prevent Forest Fires)

REPORT OF THE POLICE CHIEF

This is my last year of serving the people of Fremont as Chief of Police and I would like to thank all the people of this town for their much appreciated support. I would also like to say that it has been a pleasure serving you.

There were seven accidents in Town during 1966. I am very happy to state that none were really serious.

Seven breaks were reported and with the help of my fellow Policemen all the persons responsible were apprehended.

There were two persons lost and I am glad to state that they were found uninjured.

Once more I would like to express my thanks to the teenagers and also to express the hope that they will co-operate with the next Chief as well as they have with me.

Thanks also go to my Deputies for their very fine work and co-operation.

Joseph Bolduc, Sr.
Chief of Police

REPORT OF THE HEALTH OFFICER

I have investigated all complaints and they have been corrected.

I have also inspected all public places in town.

BUDGET COMMITTEE

Robert H. Horsburgh Earl F. Turner John A. McQueen
Walter R. Turner, Jr.

FREMONT, NEW HAMPSHIRE

MARCH 7, 1966

At the School District Meeting held in the Fremont Town Hall, Fremont, County of Rockingham, State of New Hampshire, on the Seventh day of March, 1966, at Eight o'clock in the afternoon, business was transacted as follows:

At 8:00 p.m. the School District Moderator, Mr. Robert Horsburgh, called the meeting to order and read the warrant and the certificate of posting. The articles were taken up in the following order.

Article 1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

Mr. Laurence Pettengill was recognized and he explained the Budget Committee's proposal to add $25.00 to each school board member's yearly salary, also $25.00 to the school treasurer's salary, and smaller increases to the moderator, auditor, and clerk.

Mr. Pettengill moved that the report of the Budget Committee on this matter be accepted. Mr. Andrew Townsend seconded the motion. Voice vote. Ayes have it, and the vote was carried.

Article 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Mr. Pettengill made the motion to accept the Audi-

tor's report. The motion was seconded. Voice vote. The ayes have it, and the motion was carried.

Article 3. To choose Agents and Committees in relation to any subject embraced in this warrant.

Mr. Pettengill moved that this article be placed on the table. Mr. A. Townsen dseconded. Voice vote. Ayes have it.

Mr. Pettengill made the motion to take up Articles 5, 6, and 7 as all have to do with finances and then return to Article 4. The motion was duly seconded and carried by ayes.

Article 5. To see if the School District of Fremont will authorize the School Board to use the sum of $4,441.71 received from the State of New Hampshire on November 5, 1965 to reduce Fremont's school building principal of debt.

Mr. Pettengill moved that the School District authorize the School Board to use the said sum of $4,441.71 to reduce Fremont's school building principal of debt. Mr. Andrew Townsend seconded it. Voice vote. The ayes have it, and the motion is carried.

Article 6. To see if the School District of Fremont will authorize the School Board to use any unencumbered balance of the 1965-66 school district appropriation to reduce Fremont's school building principal of debt.

Mr. Pettengill moved that the School Board be authorized to use any unencumbered balance of the 1965-1966 school district appropriation to reduce Fremont's

school building principal of debt. Motion was duly seconded. Voice vote, and it was carried by ayes.

Mr. Pettengill made the motion to discuss Article 4 now. Mr. Arthur Davies seconded. Voice vote in the affirmative.

Article 4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

Mr. Walter R. Turner read the proposed School District budget explaining the various items as read. Stopped for explanation and discussion of increase in the bus transportation figure. The total proposed appropriations amount to $128,467.23.

Mr. Turner read the schedule of Revenues and Credits. The Title I funds and needy school district funds total $6,105.23. The Total Revenues and Credits for the coming year 1966-67 equal $48,105.05. The Total District Assessment to be raised is $80,362.18.

Discussion followed. It was explained that under No. 1477 is an increase of over $1,000 toward an assistant to the superintendent of the district.

Questions were asked by Mr. Butler, Mr. Robbins pertaining to the $4,441.71 received as a needy school district.

Mr. Balestra was recognized, and he asked why the approximately $11,000 increase in the amount to be raised by taxation over last year's figure. Answer to what is increase due to approximately $5,000 is in-

creased high school tuition and there are also increases in teachers' salaries.

Mr. Pettengill moved that we take up Article 7. Mr. Andrew Townsend seconded the motion. Motion was carried by ayes.

Article 7. To see if the district will vote to accept the provision of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

Mr. Pettengill read the motion. Mr. Pettengill made the motion to accept this. Mr. Davies seconded and asked for an explanation of this.

Mr. Pettengill explained this project as a remedial reading course to be conducted for 60 children from 3 towns with Kingston probably as the place of instruction.

Fremont is getting $1,663.52 as her portion of this.

Mr. Wilson, Superintendent of the Supervisory School Union, related that the sum was based on incomes of Fremont citizens in the 1960 census. This sum was not much, so came up with the idea of putting Fremont with Newton and Kingston in order to figure out a worthwhile program. Thus the idea of forming a remedial three-town reading program was developed in the Union office.

Mr. Earl Turner asked if the program had to be continued year after year if voted on this year. Mr.

Wilson replied that this program "can be backed out of at any time".

Mr. James O'Connell asked about how children will be picked for this. Mr. Wilson said that individual teachers will watch and test pupils. Parents can refuse this for their children if they so desire.

Mr. Andrew Townsend asked if regular school time would be used for this program. "No," Mr. Wilson replied. "On a summer school basis."

Mr. Robert Horsburgh read the motion again.

"I move that the district vote to accept the provisions of Title I of Public Law 89-10 and to appropriate the sum of $1,663.52, such monies having been made available to the district under said Federal Act for such particular projects as may be determined by the school board. I further move that the district authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

The original motion to accept and the seconding motion were repeated. The ayes have it and the motion was carried.

We returned to Article 4.

Articl 4. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

Mr. Pettengill moved that we accept the school budget as submitted and vote to raise $128,467.23 for

this budget. Mr. Arthur Davies seconded this motion. Voice vote. The ayes have it.

Article 8. To transact any other business which may legally come before this meeting.

Under this Mr. Pettengill pointed out that the per pupil cost in Fremont for 1964-65 was $295.14 which was lower than Atkinson, Brentwood, Candia, Chester, Danville, Epping, Hampstead, Kingston, Newmarket, Newton, Sandown, or Raymond.

Mr. Pettengill made the motion that the meeting be adjourned. The motion was seconded and the meeting adjourned at 9 p.m.

Clerk of the
Fremont School District

SUPERINTENDENT REPORT

To The Citizens of Fremont:

Once again you are being called upon to make a major educational decision. It was just three short years ago that you voted to add classroom space to Ellis School; and, even more recently, you were asked to express your choice in reference to joining a co-oprative arrangement.

This time you are being requested to weigh the advantages and the disadvantages of making further additions to Ellis School or tuitioning your seventh and eighth grade pupils to the Sanborn Regional Junior - Senior High School. If you choose to add space you must also choose to increase your teaching staff. The present eighth grade, with its eleven students is the last class small enough to be grouped with another in Ellis School. On the other hand, if you choose to send the seventh and eighth grade pupils to Sanborn Regional, you can avoid an addition and you can decrease your present staff by one member.

The issue, however, is not simply whether to build or not to build, or whether to increase or decrease your staff; but rather, whether you should relinquish local control over your seventh and eighth grade pupils and provide them, once and for all, with a comprehensive education. I would be remiss as an educator if I did not recommend the more comprehensive educational approach. However, the choice is yours and you will be called upon to express this choice on March 13, 1967.

Therefore, I certainly hope that every voting citizen in the Town of Fremont will be available at this

most important meeting. Time will be devoted to reviewing the various aspects of these two proposals, especially as they relate to finances, before anyone will be asked to cast his vote.

Again this year, Fremont was fortunate in having a small teacher turn-over. Replacing Mrs. Shaw in Grade 2 was Miss Laraine Montminy of Manchester. Miss Montminy received a Bachelor of Arts degree from Mt. Saint Mary College where she majored in elementary education.

Mr. Fay Converse replaced Mr. Yelland as fifth grade teacher. Mr. Converse is a recent graduate of West Virginia Wesleyan College and was enrolled in education courses this past summer at the University of Massachusetts.

SCHOOL NURSE'S REPORT

To the Superintendent of Schools,

School Board Members, Citizens of Fremont:

Health promotion is a recognized component of present day junctional school education, which is designed to prepare each youngster to deal with life's academic, cultural, and practical needs. No phase of the schools activities has more to contribute to the student than does the health program.

Closely interwoven with all phases of school life, the health program aims at developing each student in terms of his present and future needs. As an achievement in living, health is integrated with all aspects of school life which contribute to the effectiveness and enjoyment of life for each youngster.

Primary responsibility for the health of the child rests with the parents, but school is in a strategic position to contribute effectively to the health of every school-age child. The school does not assume the role of the parent. Rather the School Health program is planned to fortify and supplement the efforts of the parents. The health education program in a modern school should no longer be a hit and miss one, but a continuous process. It should embrace all the activities and everyday living experiences that are a part of a child's life.

School Health Services comprise those procedures destined to determine the health status of the child; to enlist the child's interest in protecting and safeguarding his health; to help parents to understand their children's health needs; and to take the necessary steps to provide suitable treatment for disease and the correcting of physical defects.

Throughout the nation the attention of the school health program has been gradually shifting from purely physical disabilities toward a broader view.

Physical defects commend interest and effort because they are usually easy to find and treat.

Problems of personality growth and learning are more complex. We are often unaware that a student has such difficulties.

Recognizing the cause may be clouded because of contributing factors, such as; Anemia, Congenital Brain Damage, pimples, problems of family care such as, tight shoes, no shoes, watching TV until midnight, no breakfast, psychological problems, such as a parent expecting sixteen year old behavior from an eight year old, divorce, or poverty. Diagnosis and treatment are not simple, nor dramatic, as physical disabilities.

We spend most of the time on simple physical problems. But as we try to help more children get more from school we must see the child in relation to his environment. The nurses home visits and talks with parents, teachers, and students represents a small step in a difficult path.

This is a busy schedule, yes, but an interesting one. One that could not function without the help of all, the community, parents, teachers, groups, and individuals who have helped in so many ways. Our thanks to all of you.

Respectfully submitted,

Lora Lavoie, R. N.
